

PIGSKIN TOURNAMENT

PIGSKIN TOURNAMENT GROUP

PARTICIPANT PASS - SIDELINE CREDENTIALS

We at the Pigskin Tournament are proud to be celebrating our **21st Annual Year**.

We will be spending greatly again this year in order to protect the Integrity, Enjoyment and Safety of your Sidelines during all of your games.

This is designed to save you as a participating family member or team friend or fan, considerable amounts of money while assisting our security and management teams to identify any opposing Team Coaches, Families or occasional disruptive individuals. All of which **DO NOT** belong on **YOUR SIDELINES**.

Your Sidelines will be monitored and patrolled by our Pigskin Security Staff for the safety and “Family-Friendly” enjoyment. Your credential and its corresponding information will immediately let our staff know if we have someone “Out of Place”.

Each field will have a **ROPED OFF SIDELINE** and all Spectators must display this pass, with the exception of the small children under 12 in order to be on the field affiliated with the team sideline during games. If more than one child or two of different age levels exist, as players on separate teams, the credential will be coordinated for all teams of the same camp.

**Only One Credential Per Person & it's affiliated...
FREE FOOD & Giveaways and Discounts is permitted**

Spectators without credentials may purchase one pass. However only one pass per attendee will be honored for all the discounts & giveaways at the field management tent. This will be at game day prices. Any spectators, without credentials will be asked to move to the end zone or sidewalk areas to watch games.
